

THE DREAM

FROM VISION TO REALITY

“God can do anything, you know—far more than you could ever imagine or guess or request in your wildest dreams!” Ephesians 3:20

Why are we planning to build?

God has given our church a new dream, the Dream of people not yet in our church. Our Early Childhood space is in overflow capacity. Both our elementary and youth are overcrowded in the Youth Center. After 20 years, our Sanctuary is due a renovation and our foyer is too small to handle our crowds. We must build if we want to continue to reach new people.

What are we planning to build?

This building project will actually connect our present two buildings together so we are all under one roof and all of our parking will be closer to an entrance door. This new space will give us expanded room for more kids birth through 5th grade as well as more space for adults. It also frees up space in the Youth Center for more youth. Our Sanctuary will receive a fresh new look with updated worship technology and expanded foyer with a café. It includes additional parking and a maintenance garage. The Dream is all about providing a warm welcome to new people.

How will the funds be raised?

The cost of all these projects is estimated at \$6 million. Each of us will have the opportunity to make a faith commitment on October 12th or 19th to be given over 36 months. Our first fruits miracle offering will be given on November 2nd. It will take all of us sacrificing together. The Bible teaches equal sacrifice, not equal gifts.

Why build now?

Our current space is in overflow capacity. In addition, there will be 10,000 new people moving to Lawton in 2009 and 2010—mostly families with kids. Any delay limits ministry. The need is real and the time is now!

Dream about the possibilities...together we can move from vision to reality!
